

# AED Trainer Course

## Accredited Level 3 SafeCert Qualification

Duration: 2 Days (9am – 5pm) Level: Level 3 Price: £295 + VAT per person

### Abertay Training

Last Updated: 5 April 2026

This accredited AED (Automated External Defibrillator) Trainer course is designed for professionals who want to teach life-saving defibrillation skills in workplaces, schools, and community settings. The two-day programme covers AED legislation, cardiac arrest recognition, CPR and defibrillation techniques, AED maintenance, and practical training delivery. Upon completion, you will receive a SafeCert Level 3 AED Trainer / Assessor Award and a complimentary PDLSG teaching qualification, enabling you to train employees and community members in AED use and issue accredited certificates.

### What You'll Learn

- ✔ AED Legislation and Regulations
- ✔ Cardiac Arrest Recognition
- ✔ CPR — Adult, Child, and Infant
- ✔ AED Operation and Defibrillation
- ✔ AED Maintenance and Checks
- ✔ Special Situations (Pacemakers, Water, etc.)
- ✔ Post-Resuscitation Care
- ✔ Training Delivery Techniques
- ✔ Assessment and Certification Processes
